

## REMARKS

The Notice of Drawing Inconsistency with Specification of April 19, 2005 states that the drawings filed 1/20/04 have been received, however, an inconsistency exists between the drawings and the Brief Description of the Drawings in the specification since Figures 6-15 are contained in the Drawings but not listed in the Brief Description of the Drawings in the specification.

Applicant amends the specification by submitting the description of Figures 6 through 15.

Acceptance of the enclosed amendment is respectfully requested.

All claims as presently submitted are deemed to be in form for allowance and an early notice of allowance is earnestly solicited.

Respectfully submitted,

Marion SANCHEZ NINA
